

About Coastside Democrats

Please Join Us !

We are eager to reach more people on the Coastside. With over 100 members, we're committed to making a difference both locally and nationally, and that takes many more involved citizens like you.

As a club member you'll learn about the issues, meet fellow Coastsiders and take action on issues and elections important to our community, state, and country. Membership is open to all registered Democrats who live or work on the San Mateo Coastside between Devil's Slide and the Santa Cruz County line. We hold open free issue forums and events, and our Executive Board meetings, the 3rd Wednesday of the month, are open to all club members.

We look forward to working with you!

The Executive Board.

President Brigid O'Farrell, Vice President Deborah Ruddock, Secretary Marta Jacobsen, Treasurer Dennis Paull. Members-At-Large - Pam Fisher, Sophia Freer, Barbara Lohman, John Moseley, Eva Wallace and Urs Willimann.
